PETER CELLARS

Three Ways to Experience Peter Cellars

THREE DISTINCT WINE EXPERIENCES

From Vine to Glass — Experience Peter Cellars.

Peter Cellars is a boutique family estate winery in Carneros, just minutes from Sonoma Plaza. Our intimate, hosted tastings offer guests a personal alternative to the traditional tasting room, with hand crafted award-winning wines, beautiful vineyard settings and genuine Wine Country hospitality.

Estate Tasting

Our signature tasting

Enjoy five award-winning Peter Cellars wines in a relaxed estate setting overlooking the vineyard and olive grove. Our Estate Tasting is an intimate and informal introduction to Peter Cellars, with plenty of opportunity to talk about the wines, vineyard and winery. Guests can relax, enjoy the views and even play a game of bocce and enjoy the dogs

IDEAL FOR:
Couples, small groups and guests seeking a relaxed and personal Wine Country experience.

Winemaker Experience

Hosted by Owner/Winemaker Peter Mauel

Go beyond the traditional tasting with an interactive and educational experience exploring the vineyard and vine, the winemaking process for red, white and rosé wines, grape varieties and skin thickness, the role of oak barrels, and questions and conversation with the winemaker. The goal is simple: educational, interactive and fun.

IDEAL FOR:
Wine enthusiasts who want to better understand the journey from vineyard to bottle.

Vineyard Lounge

Our newest, most immersive experience

Following the acquisition of a historic Carneros Pinot Noir vineyard, Peter Cellars is welcoming guests to this remarkable property for the first time in more than 50 years. Relax in the Pavilion overlooking the vineyard and pond, enjoy Peter Cellars wines from comfortable lounge seating, or stroll among original Martini Pinot Noir vines planted in 1974.

IDEAL FOR:
Guests seeking an elevated, immersive and memorable Wine Country experience.
